Whether you're a 1st time Buyer, downsizing, or adding to your Real estate portfolio, here is your opportunity to make a great investment! It all starts with a quiet, family friendly location near to schools, parks, playgrounds and shopping. Having 3 main floor bedrooms is a fantastic feature and the extensive renovations have pleasantly transformed this home to "move-in ready― condition. Recent updates include all kitchen cabinetry with soft close doors and drawers, granite counter tops, tile backsplash, modern plumbing and lighting fixtures, carpet and tile flooring, baseboards, fresh paint, patio door and raised front deck. The stainless appliances are a bonus as is the space designated for a stand-up freezer right in your kitchen. A nicely refurbished 4pc bathroom completes the main level. The lower level offers plenty of room to develop more living space when needed. Additional updates include a high efficiency furnace, central A/C, shingles, and Low-E triple pane PVC windows. The yard is private, fully fenced, and backs onto a paved laneway. A future garage would enhance the property even more as there is plenty of back-yard space for one. Immediate possession is available so call your Real Estate Professional today!
