SE Hill, Medicine Hat, Alberta

The world is your oyster with this lightly toasted SE Hill property. Sadly, this old home suffered a fire (thankfully, everyone is fine). During repairing the damage, it was discovered that the home can't be repaired on the existing foundation *dramatic sigh*. As a result, this home is being sold AS IS WHERE IS in its current state. That's the unfortunate past, let's now focus on the exciting future! Is this your opportunity to build that dream home in an established neighbourhood? Perhaps it's the perfect opportunity to build a duplex? Or something completely different I haven't thought of. I can't say. This is your dream, maybe this is your opportunity to make it a reality!

Built in 1912
