Residential on 153.10 Acres

NONE, Rural Red Deer County, Alberta

Welcome to this immaculate 153-acre property in Red Deer County, just 12 minutes NW of Olds, less than an hour to Calgary and 30 minutes to Red Deer. The main home is a 1,667 sq ft bungalow with a double heated attached garage. Inside, you'll find three bedrooms on the main floor, including a spacious primary suite with a four-piece ensuite, plus another full bathroom and a well-appointed laundry room with access to the garage. The open-concept kitchen, dining, and living area is bright and inviting, with large windows offering stunning views from every angle. The kitchen features warm wood cabinetry and a large island, while the living room adds a cozy charm with its wood-burning stove. Hunter Douglas blinds are installed throughout for comfort and efficiency. A screened-in sunroom with a patio door and fully opening windows provides a peaceful space to enjoy the views and all four seasons. The finished basement includes another bedroom, a three-piece bathroom, a large rec room and a hobby room. There is in-floor heat in the basement, instant hot water, and a 50-gallon automatic water heater. The home also has A/C.

Equestrian or livestock amenities include a professionally built, insulated and heated 80x180 INDOOR RIDING ARENA with humidity control, four forced-air heaters, a 14x14 overhead door and air circulation fans.

The arena ground footing was professional done. A roll-up door connects to the 20x120 BARN with in-floor and overhead heat , four soft-cushioned stalls, a wash bay, large tack room with a sink, and built-in saddle racks. A 20x60 lean-to adds more storage and shelter. The arena is monitored by seven professionally installed, Wi-Fi-compatible security cameras.

Attached to the arena is a beautiful 1,701 sq ft home with a full wraparound veranda. It offers two bedrooms, including a generous primary suite with a five-piece ensuite and a massive walk-in closet, plus an office with a window overlooking the arena. The kitchen offers abundant cabinetry and a central island, while the dining area features patio doors and the living room boasts another cozy wood stove. A spacious mudroom/laundry room and ample storage throughout make this home as practical as it is charming.

Outbuildings include a partially heated 60x90 SHOP, a heated 30x36 MAIN BARN with two stalls—one convertible to a foaling stall with a camera monitor—and a heated tack room with hot and cold water. The massive 70x43 hay shed holds up to 300 large square bales. Aviation lovers will appreciate the 42x36 airplane hangar with a bi-fold door, a tower and a private runway stretching nearly the full length of the quarter. The land is thoughtfully fenced with all-rail fencing—NO BARBED WIRE—and includes a mix of pasture and paddocks, including introduction pens, automatic waterers, and 2 OUTDOOR RIDING ARENAS. There are also 3 high producing water wells on the property. Approximately 80 acres of cultivated farmland with two dugouts complete this versatile and truly impressive property.
