Live the lifestyle of your dreams in this
lock and leave Bungalow Villa in the
prestigious community of Gleneagles where
unmatched views, luxury renovations, and
privacy come together in one extraordinary
property.

Let's start with the VIEWS: from nearly
every room in this home, enjoy 180-degree,
unobstructed Rocky Mountain vistas and
sweeping golf course scenery—no rooftops,
no obstructions, just stunning, peaceful beauty
as far as the eye can see. This villa sits on the
lowest tier in the complex, giving you rarefied
privacy and true, uninterrupted views.

Inside, no detail was overlooked in the
full-scale renovation. The show-stopping
gourmet kitchen features white shaker
cabinets extended to the ceiling, stainless
steel appliances, and one-of-a-kind leathered
granite countertops. The expansive island
anchors the open floorplan, perfect for
entertaining. A cozy living room with gas
fireplace, formal dining area (or den), an office,
a main floor laundry room for everyday
convenience and spa-like primary suite
complete the main level, offering functional
single-level living with incredible scenery from
every window.

The walkout lower level is bright and
welcoming with large windows, a second
fireplace, two spacious bedrooms, a full bath,

and a large rec areaâ€”ideal for hosting guests or relaxing.

Additional highlights include: in-floor heat, central air, central vac, a heated double garage with sealed floors, and one of the biggest storage rooms in the area!

Recent upgrades: phantom screens (2024), high-efficiency Carrier furnace (2024), new LG washer/dryer (2024), rebuilt jetted tub motor, and new garage opener. Exterior updates include custom gardens, retaining wall, an Autumn Blaze Maple, frost-free and an outdoor tap. Interior improvements include a new kitchen faucet, water hammer arrestors, fans added to fireplaces, a dedicated in-floor heat thermostat for the basement, and full duct/dryer vent cleaning. Furnace, A/C, hot water tank, and fireplaces have all had recent annual maintenance.
