Surrounded by scenic walking trails with sweeping river valley views, this sought-after community is also home to the Fort McMurray Golf Course and the popular Bear & Buffalo Restaurantâ€”boasting one of the best patios in town. At the heart of the neighbourhood, you'll find a large park space with a playground, splash pad, open fields, and sport courtsâ€”fostering a strong sense of community for families and outdoor enthusiasts alike.

From the moment you arrive, this home impresses with its exceptional curb appeal, thanks to the new exterior light fixtures installed in 2025, an exposed aggregate driveway, and a heated attached garage. The kitchen is bright and inviting with an abundance of white cabinetry and a sunny dining area that enjoys southern exposure overlooking the backyard. A garden door leads to a raised back deck with enclosed

The main level also offers three bedrooms and two full bathrooms, including your primary oasis complete with a walk-in closet and private 4-piece ensuite. The home has been freshly painted throughout in 2025, giving the entire space a modern and refreshed feel.

Downstairs, the finished basement continues to impress with 9-foot ceilings, large windows, and all-new vinyl plank flooring installed in 2025. The rec/family room is a stylish and cozy retreat, featuring an updated corner gas fireplace accented with shiplap and stone, plus wiring in place to mount a TV. Two generous bedrooms with double closets, an updated 4-piece bathroom with new vanity and tub surround (2025), and a full-size laundry room with vinyl plank flooring and a convenient hanging bar complete the lower level.

Additional value-added updates include new shingles in 2019, a new high-efficiency furnace installed in 2024, and a new central air conditioning unit (2024)â€”all contributing to the comfort, efficiency, and move-in-ready appeal of this exceptional home.
