This small mountain home is a work in progress and is adjacent to a small stream in a great Coleman setting. Incredible opportunity for those who can bring their own ideas into what a mountain get-a-way can be. Upstairs has an additional approximately 240 sq. ft. of space which is not included in the square footage of the house. An even older smaller cabin and car port complement this very special place. Crowsnest Pass offers great many different opportunities for mountain enthusiasts. The property will be sold as is.
