NONE, Valleyview, Alberta

A wonderful blend of character, comfort and space! Do you love the idea of having a cozy cottage with covered front porch, a beautiful stone fireplace feature and a loft style second floor living room, but still want a spacious kitchen, good sized bedrooms, a master suite with walk-in closet and ensuite, and a 24 x 28 attached garage? Then you need to check out this property. Developed in 2018, a 2008 cottage was set on a new ICF basement on a corner lot in the town of Valleyview. It was added onto and renovated to provide a wonderful family home. With 3 beds and 3 full baths, 2 decks and a basement developed as a big rec room, there is plenty of space for the entire family. The home layout on the property also provides plenty of yard space for children to play, or space for a large shed or second garage. This is truly a one of a kind home.
