Hayter, Hayter, Alberta

Welcome to your new home, located in Hayter, Alberta. Hayter is a small community located 10 minutes East of Provost, AB. or 10 minutes West of Macklin, SK. This property is located on 2 large lots, that accommodates a mobile home with addition and a triple car garage. The mobile home with addition offers more than 1,300 square feet of living space. It's move-in ready and available for quick possession. This home provides exceptional value. One of the standout features is the triple detached heated garage, offering over 1,000 square feet --a fantastic feature to this property. As you step inside the home addition, you'll notice the spacious mudroom, perfect for hanging outerwear and storage space. This room is large enough to accommodate a freezer or fridge. The sunken living room is filled with natural light and features a cozy wood stove (WETT Inspected), along with direct access to your private hot tub room. The eight person Jacuzzi hot tub, included in the sale, is a wonderful luxury. This home has three generously sized bedrooms and a den, making it an ideal option for families or those seeking an affordable starter home or investment property. Both the mobile home with addition and garage were upgraded with a new metal roof in 2016, and the deck was rebuilt five years ago. In March 2025, a plumbing inspection was completed and the mobile home was anchored down. An 8 x 8 shed includes firewood, which adds even more value. This is truly a must-see

property, offering numerous extras. Check out the 3D Tour!
