This 3.27 acre country estate in Claresholm is the ideal family living situation. This beautiful location on Mountainview Crescent does not come around often. There is even a view of the wetlands from this large family home. The circular drive has added parking and the wonderful landscaping is mature and dreamy. There is even a garden spot ready for the new owners. There is a basketball pad, an outdoor fire pit gathering area, a play area, extra storage shed and thimble woodshed. The property is fenced and private. Now let's talk about the house! There are currently 4 bedrooms but the extra studio area in basement could easily be converted to even more bedrooms. The basement family room is a walk-out to a hot tub area where the hot tub is ready for you. The primary bedroom and ensuite is in the upper level with ample storage besides the walk in closet. Some of the great extras you may not notice are the central vacuum, the 556 square feet of garage loft space not included in listed square footage, the natural gas BBQ connected to house gas and stays with the property, as well as the pool table.
