The views are also as equally tremendous, as this westerly facing home captures the world class sunsets throughout the year! (thus the subdivision name GOLDEN SANDS) This property gives you beautiful lake front access to the beach, your boat and more year round. As you enter the .940 property from the road you have ample parking for many cars and guests and two power 220 Volt RV's hook ups to use as well. Following the driveway through the trees you will arrive at the concrete parking pad at the rear of the home and 12x16 shed/shop. Before we go inside lets walk down the concrete walkway that leads you to the lower level patio area with outdoor shower, Hot Tub & separate entrance into the home at the walk-out level. Further down the path you'll find the very private firepit area all concrete aggregate surrounded by towering trees; just down from that you'll find the beach front patio deck & sandy beach where the real fun begins! Now inside you have 5 star luxurious living to be enjoyed by all that has been designed to maximize the view & entertainment possibilities!
