Welcome to a home that checks all the boxes â€” inside and out! Nestled on a beautifully landscaped lot, this renovated gem stands out with sharp Hardy Board siding, brand new shingles, and curb appeal that turns heads. The oversized concrete driveway and perfectly trimmed yard set the tone for whatâ€™s to come.

Step into the backyard and discover your private retreat: a fully fenced oasis with underground sprinklers, lush green grass, a two-tiered deck built for lounging, and a stamped patio thatâ€™s calling for late-night fires and good company. Thereâ€™s even a dedicated mulched area for your four-legged friends!

Inside, the home continues to impress. A custom navy drop zone welcomes you at the entrance â€” equal parts style and function. New vinyl plank floors stretch throughout the main level, with neutral tones giving the home a warm, modern feel. The kitchen delivers the wow factor with bright cabinetry, eye-catching tile counters, and upgraded appliances â€” all seamlessly flowing into the open-concept living and dining space.

Three generously sized bedrooms and a stunning bathroom with a full tiled shower round out the main floor. Downstairs, youâ€™ll find even more space to unwind â€” a spacious family room, a fourth bedroom, and a

luxurious bathroom featuring heated floors.

This one has it all – comfort, style, space, and an outdoor setup that’s hard to beat.
