****OPEN HOUSE - SATURDAY JULY 26 12PM - 4PM**** | Steps from Reunion's Pond, Parks, and Top-Rated Schools but quietly distanced from the hustle is YOUR NEW HOME, where thoughtful design and everyday magic collide. From the moment you arrive, it's clear: this one is different. The extended front patio and custom 9' screen door invite you in with a charm that whispers "Stay a while." Fresh exterior paint and a lush side garden add curb appeal that's equal parts polished and personal. And then there's the backyard. Oh, the backyard. Landscaped with intention and creativity, it's a private showstopper backing onto quiet, protected greenspace and walking trails—NO NEIGHBORS BEHIND, just peaceful views and birdsong year-round. A two-tiered deck creates multiple zones for lounging and hosting, with a gas line for your BBQ, a bespoke pergola with built-in shades, and artfully crafted wood privacy screens that turn outdoor living into luxury. Think golden summer sunsets, outdoor dinner parties under twinkle lights, or fireside chats beneath the stars on a crisp winter evening. Inside, the details continue to surprise and delight. Stone-accented front entry and an updated powder room bring elevated style to the everyday. A spacious mudroom with custom lockers keeps busy life beautifully organized. In the living room, a bold drop-down ceiling adds drama and dimension, framing a cozy gas fireplace and mantle that dares to be

different. The kitchen is an entertainerâ€™s dream with huge windows overlooking the yard, quartz counters, stainless steel appliances, a designer rangehood fan, and bonus wine/coffee bar for lifeâ€™s little luxuries. The corner pantry keeps everything in reach (and out of sight!). And outside your kitchen window? Edible landscapingâ€”think herbs, berries, and perennials planted by a passionate gardener who made this home truly bloom. Upstairs, enjoy the everyday ease of a second-floor laundry room and say goodbye to hauling baskets up and down! A spacious bonus room offers extra lounging space, while two well-appointed bedrooms share a full bath. The romantic primary suite is a retreat of its own with a walk-in closet and ensuite featuring a 6-jet shower system to melt the day away. The basement offers a head start on your future plans with soundproof tiles and a ready-made theatre area that still leaves space for a full basement layout. Thereâ€™s an egress window, rough-ins for a bathroom, and just enough finished space to let your imagination take the lead. With security system wiring, thoughtful updates throughout, and one-of-a-kind custom touches you wonâ€™t find anywhere else in Airdrie, this home is ready to sweep you off your feet. Best of all, itâ€™s nestled in a community of incredible neighbors, moments from shops and conveniencesâ€”yet perfectly removed to feel like your own hidden haven. Seconds from Highway access or a quiet shortcut through 567 to Banff, your new home is as connected as it is peaceful.
