Lovingly cared for by the same owners for 26 years, this beautifully maintained and fully finished bi-level offers over 1,300 sq ft of above-grade living space, with 5+ bedrooms and 3 full bathrooms. From the moment you arrive, pride of ownership is unmistakable. The exterior is immaculate, enhanced by professional landscaping, accent lighting, and Gemstone lighting on both the front and back of the home—perfect for every season. Step inside to soaring vaulted ceilings and an inviting open-concept main level that's filled with natural light. Updated vinyl plank flooring flows seamlessly throughout, complementing the beamed ceilings and the spacious living, dining, and kitchen areas. Just off the dining area, a door leads to a fully enclosed 3-season sunroom—an ideal retreat to enjoy the outdoors while staying protected from the elements. The lower level is fully developed and offers even more flexibility, with two additional bedrooms and a flex room that could easily function as a sixth bedroom, home gym, or office. A large family room with a cozy gas fireplace creates the perfect spot to unwind. You'll also find a 4-piece bath, a dedicated laundry room, and ample storage. The double attached garage is both heated and wired for 220V—ready for hobbyists or

extra utility. Recent updates include the hot water tank, central air conditioning, sunroom enclosure, roof, siding, all soft metals plus, Mularkey Shingles with a high wind and hail rating! Outside is equally impressive with underground irrigation, concrete curbing, mature trees, vinyl fencing and carefully curated landscaping.
