This family friendly home shows very well and has many great features including an open plan, vaulted ceilings, a gas fireplace in the living room, main floor laundry with sink and spacious rooms throughout. This a Nelson built RTM home (Ready to Move) and was built and placed on its foundation in 2008. The beautiful dark oak kitchen boasts plenty of cabinets, a built-in message center, pot drawers and a pantry with auto-light. The master bedroom features a walk-in closet and great ensuite with an oversized shower. The basement was developed more recently and has a huge family room that could easily be split into a T.V. area and a games room area. There are 2 more bedrooms and a bath developed down there as well as plenty of storage. This home has a total of 5 bedrooms and 3 baths and is perfectly laid out for your whole family. There is even potential for a 6th bedroom in the basement! And that's just the inside! Outside you will enjoy the massive lot (63' X 140'), the beautiful covered front cedar veranda, the large rear cedar deck with natural gas BBQ outlet and the fenced back yard. The attached oversized double garage will keep you under cover in our cold winters. All of this located on a quiet street next to one of Didsbury's iconic land marks, the former school house now turned museum. Close to schools, shopping and recreation, this is the total package and it is ready for a quick possession if need be. Book your showing today!
