Looking for the perfect investment property? Look no further! This home offers a fully self-contained 2-bedroom basement suite complete with its own laundry-an increasingly sought-after feature for both tenants and homeowners.

Upstairs, youâ€™ll find a spacious living room with a cozy gas fireplace, a bright kitchen and dining area with patio doors that open onto a generous deck overlooking the massive backyard. Down the hall are two bedrooms, including a primary with its own 2-piece ensuite. The original third bedroom on this level has been converted into a laundry room and flex space-ideal for a home office or hobby area. If more bedroom space is needed, it can easily be converted back.

The lower level features a well-finished 2-bedroom suite with a 3-piece bathroom, large kitchen, and open-concept dining and living room. It also includes its own laundry area. What sets this suite apart is that it has a separate furnace and hot water tank, and has been fully soundproofed, providing a more comfortable and private experience for both upper and lower occupants.

Outside, the large backyard is filled with beautiful mature trees, and there's a 24x24 detached double garage for extra parking or storage. Whether you're looking for a solid investment property, multi-generational living,

or a way to offset the cost of homeownership”this property checks all the boxes.
