Residential on 0.14 Acres

Elizabeth Park, Lacombe, Alberta

52 Estella Crescent, Lacombe is tucked into Elizabeth Park, one of Lacombe's most peaceful and family-friendly neighborhoods, this bi-level offers space, privacy, and a layout that just makes sense ~ The main floor has a comfortable open-concept layout with vaulted ceilings, hardwood and tile flooring, and a gas fireplace in the living room that brings a cozy vibe year-round. The kitchen has a gas stove (always a plus if you like to cook), and there's lots of space to gather around the island or sit down for family meals ~ There are three bedrooms on the main floor, which makes it a great setup for families. The primary bedroom is spacious and comes with a walk-in closet and ensuite ~ Downstairs gives you a ton of flexible space with two big family/living rooms, another bedroom and full bath, and large windows that keep things bright. Plus, the in-floor heat makes the whole level feel warm and comfortable, even in the dead of winter ~ The finished double attached garage comes with a floor drain - super handy for washing your vehicle or dealing with the mess of slushy seasons ~ And the backyard is private and low-maintenance, backing right onto green space with no neighbours behind. There's a big composite deck with a gas line for the BBQ, and a matching stucco shed that adds great storage and ties it all together ~ The shingles were replaced in 2016, and the home's been well looked after. It's solid, comfortable, and ready for its next chapter

whether youâ€™re upsizing, settling in with family, or just want more space in a great neighborhood.
