Residential on 0.05 Acres

Springbank Hill, Calgary, Alberta

This former show home is a rare opportunity, offering over 2,800 sq ft of developed living across four levels with no condo fees. Thoughtfully designed and loaded with luxury upgrades, it's the perfect fit for families, professionals, or downsizers seeking a lock-and-leave lifestyle.

The bright open-concept main floor features a chef-inspired kitchen with quartz counters and backsplash, a gas range with custom hood fan, soft-close cabinetry, and a cabinet-faced fridge. The spacious dining area flows seamlessly to a massive 441 sq ft vinyl deck with BBQ gas line—perfect for entertaining indoors or out.

Upstairs, vaulted ceilings create an airy feel. The primary retreat showcases skyline views, a custom walk-in closet, and a spa-like ensuite with dual sinks, quartz vanity, and glass shower. Two additional bedrooms offer beautiful mountain views, alongside a stylish guest bath and convenient laundry.

The walkout level includes a fourth bedroom, full bath, wet bar, and a second covered vinyl deck (252 sq ft) with water hookup—ideal for guests, family, or gatherings.

Premium upgrades are found throughout: a private elevator, central A/C, high-efficiency furnace, water softener, central vacuum with wash basin, flood alarm, surround sound, and luxury vinyl plank flooring on every level including staircases. The heated double garage (EV-ready, 9' ceilings) plus full driveway provides parking for four.

All this in an unbeatable west Calgary locationâ€”minutes to Aspen Landing, top-rated schools, transit, golf courses, Bragg Creek, quick access to the mountains and inner-city.
