LOCATION, LOCATION, LOCATION. Nestled right between Hwy 2 and Hwy 2A, this 6.5 acre parcel will give you some of the best exposure you could ask for to advertise your possible business ventures. There are many permitted and discretionary uses from the Red Deer County. Check with the Realtor of your choice and that complete list can be shared with you. This property is being sold as is and there certainly will be some clean up to do which could very well be worth the effort for the location. There is a mobile home on the property that is lived in currently and with a little loving could be lived in while clean up is progressing.
