QUIET -- LOW- MAINTENANCE LIVING!

Welcome to this wonderful end-unit row home on a quiet stretch of 13 Street North, where you'll enjoy the privacy of your own fenced yard (fresh with new grass!) and the bonus of no condo fees. Tucked beside walking paths, parks, shopping, and main thoroughfares, this property offers both convenience and a peaceful setting.

Step inside and you'll immediately notice the bright, airy feel thanks to vaulted ceilings and large windows. This 4-level split has been lovingly maintained and thoughtfully updated over the years, with three comfortable bedrooms, 1.5 bathrooms, and plenty of storage throughout. The list of upgrades is impressive: furnace and AC (2012), roof (2013), windows (2014), a brand-new hot water tank (August 2025), plus fresh doors and storm doors at both the front and back. Flooring has been replaced in the bathrooms, kitchen, and entryway, while the bathrooms themselves have seen new touches including a vanity upstairs and a toilet downstairs (2024).

Outside, the backyard is ready for you to enjoy with new sod and a brand-new shed that stays with the property. Inside, modern touches continue with updated lights and switches throughout, giving the home a fresh, move-in-ready feel.

Whether you’re a first-time buyer, looking for a smart rental investment, or downsizing to a low-maintenance lifestyle without condo fees, this home checks all the boxes. With its great location, long list of updates, and welcoming character, it’s a fantastic opportunity you won’t want to miss. Call your REALTOR® and book your showing today!
