## \$384,900

4 Bedroom, 1.00 Bathroom, 960 sqft

Residential on 0.16 Acres

Hardisty, Hinton, Alberta

A solid 4 bedroom mill home with a double detached garage and two large concrete drive ways. The main floor consists of a bright front living room, kitchen with large pantry, and a dining nook. In addition, there's a full bath and 3 bedrooms on this level. The front door leads into the main living area and the back door comes in at the top of the stairs down to the basement - a great layout for someone looking to add a suite. The main level has had fresh paint and the furnace was just serviced. The lower level has a huge family room and rec space, large utility room including laundry, and a 4th bedroom. Outside, the parking at this property is way above average with 2 separate concrete pads, a double detached garage, and plenty of room for toys and an RV. The large yard space has crab apple and choke cherry trees and it fronts onto a quiet, one-way street.

Built in 1956
