

\$1,545,000 - 119016 273 Avenue E, Rural Foothills County

MLS® #A2268352

\$1,545,000

4 Bedroom, 3.00 Bathroom, 1,376 sqft
Residential on 4.50 Acres

NONE, Rural Foothills County, Alberta

NEED EXTRA SPACE? BUSINESS? SHOP?
LAND? HOUSE? â€” 3 IN 1, YOU GET IT ALL
HERE!

Experience the best of both worlds â€”
acreage living with city convenience! Situated
on 4.5 gently rolling acres with panoramic
foothills views, this property offers a fully
renovated home and an exceptional multi-level
shop, providing the ultimate setup for space,
flexibility, and opportunity â€” just 15 minutes
from both Calgary and Okotoks.

The open-concept main floor is drenched in
natural light, with large windows capturing
sweeping rural vistas. The designer kitchen,
renovated in 2018, showcases custom
cabinetry, granite counters, a large sit-up
island, and premium stainless-steel appliances
â€” perfect for entertaining or family
gatherings. The main floor hosts two generous
bedrooms, including a primary retreat with a
luxurious five-piece ensuite featuring a
freestanding tub, double sinks, and glass
shower. A former third bedroom has been
converted into a dream walk-in closet with
window â€” an elegant dressing sanctuary.
Two additional bedrooms on the lower level
make this layout ideal for families, guests, or
multigenerational living.

Extensive upgrades include high-end vinyl
plank flooring throughout, fresh designer paint,
motorized blinds, updated windows, a new
roof, new septic system (2018), and a new well

(2025). The home is equipped with energy-efficient in-floor heating on both levels, powered by a gas boiler system, ensuring low utility costs and year-round comfort.

The former detached double garage has been professionally converted into a heated workshop and office area, offering a perfect setup for a home-based business, studio, or creative workspace, with no vehicle parking inside.

The crown jewel of this property is the oversized, multi-level shop. Designed for versatility and future potential, it features steel post construction, 200-amp electrical service, and rough-in plumbing and heating. A 14-foot drive-through door provides easy access for RVs, boats, or commercial vehicles. The heated main bay offers abundant room for projects or storage, while the second level is ready for a potential suite (subject to municipal approval) complete with a private balcony and breathtaking mountain views. The third level is currently used as a gym but could easily be transformed into a theatre room, recreation area, or additional storage space.

Perfect for entrepreneurs, contractors, mechanics, collectors, or anyone seeking a true live/work lifestyle, this remarkable property combines acreage privacy with city proximity. Acreage living meets modern comfort – the possibilities are endless here. Book your private showing today and discover the lifestyle you’ve been waiting for!

Built in 1971
